SC Laboratories California LLC
Attn: Margo Vesely
100 Pioneer St. Suite E
Santa Cruz, CA 95060

Dear Ms. Vesely:

Congratulations, the Illinois Department of Agriculture has reviewed your application and pursuant to 8 IL Admin. Code 1200.60, hereby approves your laboratory to handle, test, and analyze hemp. This approval is conditioned upon your use of the validated methods identified in your application and ISO 17025 accreditation.

You will be listed as an approved laboratory on our website.

Again, congratulations and good luck!

Mathew Gleckler
Licensing and Administration Supervisor
Division of Cannabis Regulation
